Yes. Swimmers coming from outside of the Y League need to be evaluated.

What do you do if swim practice is cancelled?

Practices and meets will be cancelled for any extreme weather. For days when we experience on-and-off extreme weather conditions, the Head Coach will communicate to families. Practices will not be rescheduled due to weather or pool closure.

How does the coaching staff communicate to the parents?

We will use the Remind app, an instant texting application to communicate deadlines, cancellations and any questions you might have. This will be shared on June 2 during your child's practice.
