Children can self apply sunscreen/insect repellent, but if your child will need sunscreen/insect repellent applied by YMCA staff during YMCA program hours, please read and complete the following:

- Sunscreen/insect repellent must be in the original container and labeled with child's first and last name.
- It is the responsibility of the parent to make sure the child has the proper amount of sunscreen/insect repellent.
- If the child needs sunscreen/insect repellent to be applied by YMCA staff at two different program sites, parents must supply these for both sites and must fill out a one form for each site. **Sunscreen/insect repellent spray will not be transported between programs.**
